Digital Guestbooks with Photos, Videos, and Audio
for every event

Unforgettable Memories

Add an interactive, fun experience for guests at your special event.

Sign up online - from your phone, computer, or tablet.

Add your QR code to your invitations, event website, and signs at your event.

Guests (and those who cannot attend!) can send you photos, videos, and audio messages, while optionally attaching a monetary gift.

At the venue:

Incorporate your event QR code on display signs to encourage guests to share their personalized messages with you.

Scan. Smile. Send.

It's so easy to use!

Scan the event QR code.

Smile while capturing memories in photos, videos, and audio messages.

Send (along with optionally attaching a monetary gift).

Download a zip file with all of the treasured memories to help you celebrate your unforgettable occasions any time, any place. Secure and easy cash out procedure directly to your bank account.
